Fighting Herons Weekly Recap

Week 10

#15 SAN MARCOS FIGHTING HERONS 84 at TEXAS TECH RED RAIDERS 24

SAN MARCOS, Texas - The Herons overcame a devastating injury to starting quarterback Tyreek Robinson Jr. and managed to put up 84 points in their win over the Red Raiders.

On the second play of the gam, Robinson Jr. tore his ACL and was deemed out for the season.

For most teams, this would cause the season to unfold but that was not the case for the Herons.

Backup QB Stephen Bandy came in to replace the injured QB and the Herons did not miss a beat.

Bandy put up a total of 659 passing yards and had six passing touchdowns in the game versus the Red Raiders.

He broke the school record for most passing yards in a single game.
